### Featured Fanatic Lance, Half Fanatic #2021

**Where it All Started** My first half marathon was back in 1998 - Silicon Valley. I ran it for the challenge, and as a preparation to try and run a marathon so I could earn a finishers medal. Can you believe they didn't have medals for the half marathon back then? In 2001, I strung together enough runs to qualify for Half Fanatics, but didn't know of the group's existence until meeting into Tony "Endorphin Dude" in 2011. I completed three in 90 days, and submitted my application.

Now that I was an official Fanatic, and had the shirt to prove it, I wanted to moon up. Neptune was nice, but I could make Uranus (go ahead and snicker.) For 2013, a co-worker and I decided to go for the Rock Idol medal. I could do one half per month, which would push me to Saturn. Mars was lurking out there, since I had dreamed about doing the Tahoe Triple (which is sadly still on my to do list), but that was a goal for another year. Then along came Tony again. I read his story and could not be anything other than inspired - from couch to Titanium and Sun. I also met Chris, who ran to the Sun to raise money for charity. But me, I'm just a mortal. Again everything changed...

**A Race for a Cause** I ran 7 half marathons by the start of April 2013, and then had to take a month off for work. My mother had been in poor health and her condition had continued to decline throughout the Spring of 2013 and I was travelling at least once a month to be with her. She passed away on May 1<sup>st</sup>. That weekend, I completed my first double (with her watching over me). At the second race of that weekend, I met a gal who was running to honor her mom who had passed away, and the idea began to germinate. The race was on. Soon I also met Trent (aka Marathon Man) on his quest to break the world record. The motivation began to build and at the end of June my total was up to 17 runs for the year. Now the new goal was to honor Mom's memory by pushing myself to reach the Sun. I wanted to do it this year - for my Mom. Six months, and 35 runs - I had to do it! Family, Friends, Doubles, Triples and a Crazy 8 helped me reach that goal. And, in the end, it was so fitting that I reached the Sun on the course I missed out on a year ago due to my Mother's illness.

**Reflecting on My Journey to the Sun** The best part of this journey has been the people I've met along the way - Fanatics, Maniacs, 50 Staters, tons of people running their first half marathon and everyone else in between. You can go to most races and find another Fanatic. Starting with the pre-race photo, to the mid race "go fanatics!" to the post-race activities, our Fanatic family is always there. My lifetime PR is 2:11, back in 2002, but being a back of the pack runner has also given me time to talk with other Fanatics and share stories. Some of the best times are from the 3:30 - 4:30 'runs'. Thanks to the many people I've met along the way: Endorphin Dude, Marathon Man, the Crazy 8's group, the Disney / CTB Fanatics group, my SoCal friends, the ROTE gang, the ESC gang, and of course, my coworkers, my cousin Kim and my son Mike (HF #2968). Your stories inspire and motivate me, and I love meeting you at races and watching your updates on FB. Thank you all for making this journey both a possibility and a pleasure.

**Beyond the Sun** In 2014 I'm going to chip away at 50 States and maybe try to qualify for the Marathon Maniacs. I'm also going to add some more fun runs (5K) with friends. An Ultra is also calling, but that may have to wait until after 2014. If I haven't met you yet, say "Hi!" next time you see a guy in a skirt running or walking towards the back of the pack!

**FANATIC POLL**

Each month there will be a "Fanatic poll". This poll will be posted online. Please take a few moments to answer this poll. I will post the results in the next newsletter.

**This month's question:** *Aside from the half marathon, my favorite race distance is the \_\_\_\_\_?*

Please vote online between now and Jan. 31st at:  
<http://survey.constantcontact.com/poll/a07e8r9iulwhq2xytau/start.html>.

**Last month's question:** *As 2013 comes to a close, race plans for 2014 are in full swing! How many half marathons are on your 2014 race calendar?*

While it appears that most of us are only planning on a dozen or so races in 2014, I have no doubt the bug will take hold and at least a few of you will land on the SUN in 2014!
