HALF FANATICS JULY 2015 NEWSLETTER

Featured Fanatic

Chris Warren, Half Fanatic, Marathon Maniac & Double Agent #2

Tell us a little bit about your road to the asylum. I started running in 2000. Lots of races was the norm and my 1st half marathon was Pacific Crest 1/2 marathon in Sun River, OR the summer of 2000. The Fanatics came after the Maniacs, but 1/2 marathons have always been a fun distance to race. The pain doesn't last as long as a full marathon. :)

What / Who inspires you to lace up your shoes and run? There are so many motivational stories and inspirational runners within our clubs, so that's a tough question to answer. For me, I feel a sense of obligation as a founding member to get myself out and stay in shape. Also, #3 (Tony Phillippi) and I have a competition on sub 3 hour marathons, which he is currently winning 27 to 26, so that motivates me to train harder to get back into sub 3 hour shape.

What was your most memorable race(s)? One of my most memorable 1/2 marathons was the Mercer Island half marathon in WA state. It's where I set my personal best of 1:20:00. That day I remember passing and beating a fellow runner who I had admired for years how fast they were, but had never beaten straight up in a race. It was a good day.

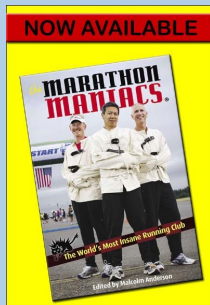

What are your goals for 2015 and beyond? Just to keep fit and continue to run as many races as the old body can handle!

Did you ever anticipate the MM & HF would grow to what it is today? Never in my wildest dreams did I think the clubs would grow this big. In the beginning, I remember getting excited when we would get more than one new member a week. HA!

What advice would you give to aspiring MMs & HFs? Enjoy the process! The clubs throw out a great challenge to runners, but it's all about having fun and enjoying what you're doing. Whether, you aspire to run them fast, slow, or walk the events, the most important thing is to enjoy what you're doing. Also, not to set too high of expectation on yourself. The fact that you're doing what you are has already put you in the top 1% of the population. Don't be too tough on yourself if you don't achieve your goal in a particular race. There is always the next one. You're all AMAZING!!!

Stories from "The World's Most Insane Running Club"

This book is collection of stories by members of the Marathon Maniacs. These stories are sure to be encouraging and motivation to current and future members. The book was edited by Maniac Malcolm Anderson, author of the book "The Messengers".
