Get your child moving! An 8 week running program with fun and challenging running activities.

Mission <http://www.halffanatics.com/flying-fanatics>

- To introduce our youth to the physical and emotional positive effects of running.
- To increase the physical activity of our youth.
- To create a positive environment where all participants are equal.
- \*Hard work and determination will be rewarded at the end of the journey!

Find out more at: <http://www.halffanatics.com/flying-fanatics>.

## How does the Kids Club work?

Once your child is registered, an account will be created on the website. A User ID and password will be emailed to you. A hard copy package will be mailed via USPS to your home address that includes a map (this is for the participant to track their miles and map their progression) Also included will be the sublimated t-shirt and finishers medal. The t-shirt will be provided in the size you specify at time of registration. The finishers medal will be labeled in a special package that will state "do not open until goal is completed". This is up to the discretion of the parent as to when to present this medal, however we encourage making sure all the miles are completed before the participant can receive the medal.

Suggested miles per day will be listed on your child's online account and also in the fitness package that is mailed to you.

Once participants have completed their level, they can progress to the next level to earn more level pins. These pins will attach to the ribbon of their finisher medal. Look for more exciting additions in the near future!

Welcome to the Perch

## FROM THE EDITOR

I had a wonderful month of running even though it's been a soggy one in the Pacific NW. I finally ran two full marathons within 16 days to become a Marathon Maniac and Double Agent! I am so happy to reach this goal. Looking for ways to squeeze more marathons into my current running plan.

Take a moment to check out the race event calendar and see if you can find an event near you.

Want to share your "why you run", your achievements, goals, and any stories? Did you have a really great run -- or a horrid one? Are you celebrating any milestones: 50 half marathons? 100? 1000? Did you level up?

Shoot me an email to include you in the next newsletter!

## DID YOU KNOW?

## April had 203 race events listed on the Half Fanatics Race Calendar.

- Top event for April was the **Oklahoma City Memorial Half** Marathon. This is a great event that supports the memorial of the Oklahoma City bombing. The community really supports this event and the support on the course is awesome. Many people have come back to this events for a few years now.
- Another Disney event comes in 2nd for April, with the **Star Wars The Dark Side Half** Marathon. These events are huge, crowded, and start really, really early. However, it is Disney. You don't run these to get a PR, you run them for the characters, the party on the course, and the enjoyment of being in various Disney parks.
- Up third is the **Garmin Half Marathon in the Land of Oz**. This themed event brings out all the costumes from the beloved movie. The event is very well organized. People liked the after-party, and of course the wonderful Oz themed medal.

## OUR WHY...WHY WE RUN

We all have our reason we run – our why – and it’s what gets us out the door most days. The more I run, the more people I meet, the more I’m learning about what brought others on their journey. Each month, I want to share as many of your whys as possible. Send me [email](#) to share yours.

UH OH! Looks like no one shared their why this month.

Would you like to share your “Why...Why you run” with fellow Fanatics?

Shoot me an email to include you in the next newsletter!
