FROM THE EDITOR

Oh my! The heat of summer is getting to me this year. I really enjoyed “runners camp” at the Firecrackerfive.com series in the Pacific Northwest. Missed a few of the regulars who couldn’t make it this year. Next year, the series should be a quad over the 4th of July.

Want to share your “why you run”, your achievements, goals, and any stories? Did you have a really great run -- or a horrid one? Are you celebrating any milestones: 50 half marathons? 100? 1000? Did you level up?

Shoot me an email to include you in the next newsletter!

EXPO SCHEDULE

The Gear Guy will be at the following Expos with club gear for Marathon Maniacs and Half Fanatics:

Tacoma Narrows

August 18th

Revel Big Cottonwood

September 8th

Akron Half Marathon

September 29th

You Go Girl!

September 30th

DID YOU KNOW?

July had 131 race events listed on the Half Fanatics Race Calendar.

The top three events attended by Half Fanatics were:

- This year, the **Missoula** Marathon and 1/2 were part of the Marathon Maniacs / Half Fanatics Signature Race Series. There were 101 Half Fanatics in attendance, and almost everyone commented on how well organized the event was. The 1st half of the course is quite scenic with the annual grand piano player.
- The next biggest event for Half Fanatics in July was the **Rock n' Roll Chicago** Half. Mixed reviews for this one. Several people were disappointed that they ran out of the remix medals. Overall, it was a fun event to run in Chicago, but the rain kept a lot of the crowds away, and the bands were not that great.
- In third place this month was the **Inaugural Revel Mt. Hood** Half Marathon in Oregon. As with all Revel events, the course is mostly down hill. Those who commented loved the event, with great organization and support, plenty of port-o-potties, plus free race photos!

HAPPY 10th ANNIVERSARY

HALF FANATICS

Ten years ago, the main maniacs knew the Marathon Maniacs club was special with so many members joining daily. Yet, something was missing. There were lots of people out there running half marathons. There were also quite a few Maniacs looking to hang up the 26.2-mile distance and sort of retire as half marathoners. They needed a place to call home too.

OUR WHY...WHY WE RUN

We all have our reason we run – our why – and it’s what gets us out the door most days. The more I run, the more people I meet, the more I’m learning about what brought others on their journey. Each month, I want to share as many of your whys as possible. Send me [email](#) to share yours.

UH OH! Looks like no one shared their why this month.

Would you like to share your “Why...Why you run” with fellow Fanatics?

Shoot me an email to include you in the next newsletter!
