INTRODUCING LISA BUSKE, THE "DISCOUNT GAL"

I'm excited to be the newly appointed Discount Gal for the Half Fanatics. There are many incredible races across this country, so to be able to get our club members a discount off their registration is a great feeling. A few things about me: I fell in love with running 6 years ago while training for a triathlon. During the triathlon I crashed my bike so now I solely run. I started running while we were living in Arizona. I ran in the desert for 5 years, so moving to Maryland last year was a shock to my system. I had to buy winter running clothes and adjust my training to the seasons, all things I had never considered before. Given my adolescent athletic background, my parents find my running obsession and MM/HF club membership shocking. My husband recently ran his first marathon in NYC. I was a race spectator with my children for the first time. Being a spectator with two children

was more exhausting than any race I've ever run. He finished the marathon and we decided I'll stick to running, and he'll stick to staying home with the kids.—Lisa, HF #5414/Double Agent #1837
